Day 6. Wed 22 Sept: Seal Bay - Kangaroo Island Wildlife Park

Today, we begin early and travel down to the famous **Seal Bay Conservation Park**, the only place in the world where we can stroll with our guide through a wild seal colony. Seal Bay is home to around 600 of the rare Australian Sea Lions. After Seal Bay it's up to Parndana to the **Kangaroo Island Wildlife Park**. Kangaroo Island is well known for its thriving koala population however over 150,000 hectares has been lost due to recent events which has effected the koala population dramatically. We need to pull together to save this Australian icon. The Kangaroo Island Wildlife Park has started a fundraiser to raise funds for care, pain relief, medication and the infrastructure needed to house and treat the large number of koala and animals coming into their care. The wildlife park is home to over 150 native species and over 600 animals. Enjoy a guided tour of the park followed by lunch before making our way to **Emu Bay Lavender Farm** to learn about lavender production, see it in its various stages throughout the season and even taste some goodies made with lavender. Walk around the garden and visit the charming gift shop which sells lavender essential oils, scented candles and other Kangaroo Island lavender products. The story of the **Kangaroo Island Brewery** and Mike's journey unfolds next at his new brewery where most, if not all, materials used are recycled and have an amazing story. From local shearing sheds to local quarried stone, the brewery is as described by Mike, "local as hell"! To Mike it all made sense to build a brewery and fill a gap as the island was lucky enough to have fantastic wineries and even a micro distillery, but up until now, no brewery. We then travel back through Kingscote and out to **Reeves Point**, South Australia's first official European settlement from 1836 it is on the Australian Heritage List although after six months it was decided that the island's resources were insufficient to support the community. The Old Mulberry Tree which was planted in 1836 still bears fruit and the history of the Pioneer Historical Cemetery will also be covered. Late afternoon we return to our accommodation for a rest, before dinner in the hotel restaurant.

Breakfast & Dinner

This morning after breakfast and checkout we continue down into Mount Gambier home to the iconic Blue Lake and **Umpherston Sinkhole** (or the Sunken Garden) which is one of the most **spectacular gardens** located in the **Mount Gambier region**. The beauty of the Umpherston Sinkhole has to be seen to be believed when observed from the viewing platforms at the top of the sinkhole and also down inside the sinkhole itself. The kiosk on site offers coffee, snacks, ice creams and souvenirs. No visit to Mount Gambier would be complete without taking a look at the **Blue Lake** which occupies one of the craters of the **extinct volcano** after which the city has been named. Early each November, the lake's sombre blue, which is in evidence during the winter months, mysteriously changes to an intense deep turquoise blue almost overnight. The colouring remains until late February, when it gradually changes. We experience a **fascinating tour** which takes us in a **glass paneled lift down the original dolomite well shaft**, from which water was originally extracted, through a tunnel to see the Blue Lake at close proximity while learning about the hydrology of Mount Gambier's water supply and the aquifer system. This afternoon we travel across to **Warrnambool** for a **highlights tour** with our local guide. From Flagstaff Hill we begin our tour which takes in Whalers Inn, Lady Bay, Logans beach, Middle Island, Thunder Point Coastal Reserve, Wollaston Bridge, Cannon Hill and Granny's Grave. Following check in and an early dinner we head to the **Flagstaff Hill Museum** which boasts Australia's richest collection of historical relics and artefacts from Shipwrecks of the Great Ocean Road. The most famous of these artefacts is Loch Ard Peacock standing 1.5 metres tall. We then check in to our accommodation and enjoy an early dinner before we head out again to witness the **spectacular new multi-million dollar Sound and Laser Light Show "Shipwrecked" portraying the story of the journey and shipwreck** of the **Loch Ard**. After the show we travel back to our motel for a good nights rest.

Day 9. Sat 25 Sep: Warrnambool - Geelong

Breakfast & Dinner

Today we explore the **Great Ocean Road** with its breathtaking scenery and beauty it has become one of the **Great Road Journeys of the World**, winding its way along one of Australia's most spectacular coastlines. The road was built to honour the servicemen and women of World War I, and extends more than 300km along the coast. We make our way down to Peterborough and the **Port Campbell National Park**. The start of our exciting scenic drive begins with the some photo shoots at the **Bay of Martyrs and Bay of Islands** before arriving at the **Loch Ard Gorge** (featured in last night's sound & light show), the site of a tragic shipwreck in 1878 when 50 or more people on board lost their lives as the iron hulled clipper Loch Ard came to grief against the rocks. It is also here we find the site of the **Twelve Apostles** – now eight huge pillars, which loom out of the surf, carved over time by the fury of the ocean, which in the last few years have toppled four back into the ocean. We then travel up into the **Great Otway National Park** through Lavers Hill and back down to **Apollo Bay** we can stretch our legs and buy lunch (own expense). Leaving Apollo Bay we continue along the coast through the small hamlets of Kennett and Wye River before arriving in the **delightful township of Lorne** for some time at leisure. The last leg of this great road journey takes us through Aireys Inlet and Anglesea before travelling up into Geelong for check in and dinner.

Overnight Geelong: Best Western Admiralty Motor Inn

Day 10. Sun 26 Sep: Geelong - Bellarine Peninsula - Brisbane

Breakfast

On our last day, we are joined by our local guide on a **sightseeing tour of the port of Geelong and the Bellarine Peninsula**. Around this area, we can see some of the old bluestone buildings classified by The National Trust, keeping residents and visitors always mindful of the city's heritage. Following this visit we enjoy **morning tea** at the **The Wool Exchange Cafe**, before departing Geelong and making our way to Melbourne Airport for our flight back to Brisbane after a wonderful tour with The Donald Simpson Centre & Trade Travel.
