The Bribie Island Community Arts Centre began as a Chamber of Commerce project to celebrate Australia's bicentenary. The Centre was designed by leading Gallery Architect Paul Wallace and was opened on the 11th of December 1988. What has resulted is one of Australia's largest and busiest arts centres, with space for display, retail, workshops and studios, and catering for more than twenty kinds of arts and crafts.

VERNAZZA ristorante @ The Bribie Island Golf Club was born from a need to provide Bribie residents and visitors with a great place to eat, serving fresh, high quality and affordable meals.
